"My nets grew beyond myself and beyond the canvases I was covering with them," she once explained. "They began to cover the walls, the ceiling, and finally the whole universe. I was always standing at the center of the obsession, over the passionate accretion and repetition inside of me." In pursuit of this infinite abyss, Kusama has even painted her "Infinity Nets" in uninterrupted sessions of 40 to 50 hours. In 2014, this influential series set records in the art market.
